Hi Cristina,

Thank you so much for being willing to take the lead on the LAAC components at Executive Summit.

There are two components where we can use your support. The first is the BD 5 Breakfast, which takes place on Tuesday at 6:45am. There are two LAAC-specific slides, one of Emilio would have been the lead on. We would love to have you present them both.

The second component is an Advocacy Council panel that will take place from 1:30-2:30pm on Tuesday, and includes John Glover from Santa Clara County and Nicole Assisi from San Diego. The outline for that panel and questions are attached. Miles is facilitating the panel and he can help you prep or answer questions if you have them.

Happy to provide support on any of this or make changes based on your feedback.

See you tomorrow and good luck at the SPI meeting. You're a real life super hero and we truly appreciate you!!
